

sim Credit Card and sim World Mastercard® Key Facts Statement
Finance Charge

Annualised Percentage Rate (APR) for Retail Purchase	<p>34.80% when you open your account and it will be reviewed from time to time. If you pay the Statement Balance of the monthly statement on which the relevant transaction first appears in full on or before the Payment Due Date of the said monthly statement, no finance charge will be levied. If you do not pay the Statement Balance in full on or before the Payment Due Date, a finance charge will be applied. The finance charge is calculated and accrues daily at the applicable rate (determined by us from time to time) based on:</p> <p>(1) the unpaid Statement Balance(s), from the date of the monthly statement on which the relevant transaction first appears until full payment for the entire outstanding balance (inclusive of interest accrued on the amount of the relevant outstanding balance and other charges incurred up to the date on which full payment is made) is received; and</p> <p>(2) the amount of each new Card Transaction being posted since the date of the monthly statement on which the relevant transaction first appears, from the transaction date until full payment for the entire outstanding balance (inclusive of interest accrued on the amount of the relevant outstanding balance and other charges incurred up to the date on which full payment is made) is received.</p>
Annualised Percentage Rate (APR) for Cash Advance	<p>35.96% when you open your account and it will be reviewed from time to time. The finance charge is calculated from the date of such advance until full repayment for the entire outstanding balance (inclusive of interest accrued on the amount of cash advance and other charges incurred up to the date on which full repayment is made) is received.</p>
Default Finance Charge APR	<p>For Retail Purchase: 46.44% and it will be reviewed from time to time. It may be applied to your Card Account (instead of the finance charge) if you fail to pay your Minimum Payment Due by the Payment Due Date of any monthly statement. A default finance charge will be charged on the unpaid Statement Balance of the second following statement as well as all new transactions from the date of the second following statement until you pay your respective Minimum Payment Due in any six consecutive statements by the Payment Due Date of each monthly statement. It will be calculated and accrued on a daily basis.</p> <p>For Cash Advance: 47.93% and it will be reviewed from time to time. It may be applied to your Card Account (instead of the finance charge) if you fail to pay your Minimum Payment Due by the due date of any monthly statement. A default finance charge will be charged on the unpaid Statement Balance of the second following statement as well as all new transactions from the date of the second following statement until you pay your respective Minimum Payment Due in any six consecutive statements by the Payment Due Date of each monthly statement. It will be calculated and accrued on a daily basis.</p>
Interest Fee Period	<p>Up to 53 days. This period does not apply to cash advance transaction.</p>
Minimum Payment Due	<p>HKD50; or the aggregate of the following items (whichever is higher): -</p> <ul style="list-style-type: none">(a) all finance charges; and(b) other fees, charges billed, overdue amount and overlimit amount; and(c) 1% of statement balance (excluding item (a), (b) when applicable). <p>If full amount is less than HKD50, the minimum payment is the full amount.</p>
